

A circular bar chart (rose chart) showing the distribution of the number of children per family. The chart is divided into 12 segments, each representing a number of children (0 to 11). The segments are colored blue. The radial scale represents the percentage of families, with concentric circles at 0.0%, 2.0%, and 4.0%.

Number of Children	Percentage of Families (approx.)
0	0.5%
1	1.5%
2	2.5%
3	1.5%
4	0.5%
5	0.5%
6	0.5%
7	0.5%
8	0.5%
9	0.5%
10	0.5%
11	0.5%
